

School Uniform

Our uniform policy is designed to accommodate the varied sensory preferences and needs of our students.

We ask that students wear:

- A school-branded t-shirt or hoodie. Three t-shirts and one hoodie will be provided by the school each new school year.
- We also have a recycling program- when your old uniform no longer fits, bring it in so that others can use it!
- Shoes should be suitable for school: no heels and they should not have a hardened toe area or be open toe.
- Students can wear whichever trousers/shorts they prefer but pyjama bottoms and shorts that are not of a suitable length are not permitted.

We also ask that students bring a suitable and appropriate change of clothes to do PE and Outdoor Education in.
